

# BUILDING A ZERO WASTE OFFICE

**When: Thursday August 12,  
11:00 am to 12:00 am**

**Where: Webinar via ZOOM**

This workshop is useful for tribal leaders, department managers, supervisors and staff. Register using this link: <https://forms.gle/6Ngp8zSCpHr3SUGd7>

Zero Waste envisions the use and management of materials to minimize environmental impacts and conserve natural resources. Federal, State and City administrators learn about regulations and sources for environmentally preferable supplies and materials. This webinar will provide explanations and practical tips to prevent waste, reduce and recycle properly and how to procure environmentally sustainable supplies.
